Modernisation of steel plants

538. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Governments attten-tion has been drawn to the news item published in Hindustan Times dated 28-9-1986 to the effect that the Prime Minister had expressed the need for modernisation of the steel plants in the country;

(b) if so, what are the details of the public sector steel plants which are to be modernised during the current five year plan period; and

(c) the extent to which the production of steel in these plants are likely to be boosted?

THE MINISTER OF STEEL AND MINES (SHRI K-C PANT):
(a) Yes, Sir.

(b) and (c) There are proposals for modernisation of Durgapur Steel Plants, Rourkela Steel Plants and Indian Iron and Steel Company (Burnpur). The details are given as under: —

Durgapur Steel Plant

Government have approved in principle the proposals to modernise the Durgapur Steel Plant and have also authorised an expenditure upto Rs. 25 crores for preliminary works. The Detailed Project Report (DPR) has been prepared which when implemented would enable the plant to operate at its rated capacity of 1. 6 million tonnes per anflum of ingot steel against the present production of around 0. 9 million tonnes per annum.

Rourkela Steel Plant

Steel Authority of India Limited had formulated a proposal for modernisation and technological up-gradation of Rourkela Steel Plant

to enable the plant to operate at its rated capacity of. 1. 8 million tonnes per annum of ingot steel against the present production of around 1. 1 million tonnes per annum. However, SAIL has now reconsidered this scheme and have concluded that in order to exploit the maximum potential of the plant, it should be modernised and expanded to a capacity of 2. 3 million tonnes per annum.

. *Indian Iron and Steel Company (IISCO)*

"No funds have been allocated in the VII plan for the modernisation of IISCO. Efforts are, however, being made to explore the possibilities of obtaining technical and financial assistance from Japan for this scheme. As a first step, the Japanese Government is getting a feasibility report prepared for modernisation of IISCO. This report is expected by March, 1987. Only after examining this report and arranging finances, will it be possible to indicate further details.

Irrigation projects to be kept outside Government's purview

539. SHRIMATI KRISHNA KAUL: Will the Minister of WATER RESOURCES be pleased to state:

(a i whether Government are considering a proposal- to exclude from the purview those irrigation projects that were started before enforcement of the Forest Conservation Act, 1980; and

(b) if so, the details thereof?

THE MINISTER OF WATER RESOURCES (SHR1 B. SHANK-ARANAND): (a) No, Sir,

(b) Does not arise.

Visit of Indo-Bangla team to Nepal

540. SHRIMATI KRISHNA ^ KAUL: Will the Minister of WATER -RESOURCES be pleased to state:

(a) whether any Indo-Bangladesh team has visited Nepal to discuss water resources; and

(b) if so, the outcome thereof?

THE MINISTER OF WATER RESOURCES (SHRI B. SHANK-ARANAND): (a) and (b) The Indo-Bangladesh Joint Committee of Experts visited Kathmandu from 29th to 31st October, 1986 and sought from HMG Nepal, the date and information needed for the Joint Committee of Experts study on the possibility of augmenting the flows of the Ganga at Farakka through storages in Nepal. HMG Nepal stated that they would examine the JCE's list of required data in depth and give their response later. They assured the JCE of their cooperation on the basis, of mutual benefit.

Amendment of Delhi Rent Control Act

541. SHRIMATI KRISHNA KAUL: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Punjab, Haryana and Delhi Chambers of Conmerce have urged Government during the second week of September, 1986 to amend the Delhi Rent Control Act;

(b) if so, what are the details thereof; and

(c) what action have been Taken by Government in this rsgfrd in the light of, the above request ?

THE MINISTER OF STATE ! IN THE MINISTRY OF URBAN
